

STYLE SYMPHONY

AI Content Marketing — UGC Ads Pack

Premium Salon & Bridal Studio — Chennai

Platform: Instagram Reels

Task 2 | Prompt Engineering Internship | Future Interns

Intern: J.S. Jinesh | CIN: FIT/AUG26/PE3900

TASK 2 OVERVIEW

Tool Used: Claude AI (Anthropic)

Business: Style Symphony — Premium Salon & Bridal Studio, Chennai

Platform: Instagram Reels

Focus: Bridal Makeup Package + General Salon Services

Format: UGC-style ad scripts, hooks, CTA's and captions

What is UGC-Style Advertising?

UGC (User-Generated Content) ads mimic real customer stories and testimonials. They feel personal, relatable and trustworthy. Making them far more effective than traditional ads on Instagram Reels.

Key Formula: Strong HOOK (first 3 seconds) → Problem → Solution → Proof → CTA

AD SCRIPT 1 — Bridal Package

Hook-Based Testimonial Style

PROMPT USED:

You are a UGC ad script writer for Instagram Reels. Write a short, authentic UGC-style ad script (30–45 seconds) for "Style Symphony", a premium bridal salon in Chennai. The script should be from the perspective of a happy bride. Include: a scroll-stopping hook in the first 3 seconds, a relatable problem, how Style Symphony solved it and a strong CTA at the end. Keep it casual, emotional and real-sounding.

AI-GENERATED SCRIPT:

Duration: 30–45 sec | Platform: Instagram Reels

[HOOK — 0:00 to 0:03]

"I almost cried on my wedding day... but NOT for the reason you think. "

[0:03–0:10] (Bride speaking to camera, casual selfie style)

Okay so I was TERRIFIED about my bridal makeup. I had tried 3 different artists and none of them understood my skin tone or my vibe. I wanted to look like ME.

[0:10–0:20] (Cut to transformation clips — before/after)

Then my cousin told me about “Style Symphony” in Chennai. And honestly? Best decision I ever made. They sat with me for a full consultation, understood my wedding theme, my outfit and everything. From my engagement look to the reception — they handled it ALL.

[0:20–0:30] (Close-up of bride's makeup, hair, nails)

The bridal package covered literally everything — hair, makeup, skincare, nails. I don't have to worry about a single thing on my wedding day. I just got to enjoy it.

[0:30–0:38] (Bride smiles at camera)

"If you're a bride in Chennai, please visit *Style Symphony*. You'll thank me later. "

[CTA — 0:38–0:42]

**"LINK IN BIO TO BOOK YOUR BRIDAL
CONSULTATION — BEFORE DATES FILL UP! "**

AD SCRIPT 2 — General Salon Services

Problem-Solution Format

PROMPT USED:

Write a UGC-style Instagram Reels ad script for "Style Symphony" salon in Chennai, focusing on general salon services (hair, skin, nails). Use a problem-solution format. The hook should stop the scroll in 3 seconds. The tone should be friendly, fun and relatable for young women aged 18–30. Include a CTA at the end. Keep it under 40 seconds.

AI-GENERATED SCRIPT:

Duration: 30 – 40 sec | Platform: Instagram Reels

[HOOK — 0:00–0:03]

"Tell me why I used to leave salons **MORE** stressed than when I walked in."

[0:03–0:12] (Casual talking-to-camera style)

Bad haircuts, makeup that looked nothing like the reference pic, nail art that chipped in 2 days... I genuinely gave up on salons for a while.

[0:12–0:22] (Cut to Style Symphony salon interior, warm lighting)

Until my friend literally dragged me to “Style Symphony” in Chennai. I’m not exaggerating when I say — this place changed my whole relationship with self-care. The team actually LISTENED to what I wanted. The hair styling was amazing. The nail art lasted 3 whole weeks.

[0:22–0:30] (Showing hair, nails, glowing skin)

And the vibe? Super chill, no pressure, no upselling. Just really good people who are really good at what they do.

[CTA — 0:30–0:38]

**"STYLE SYMPHONY, CHENNAI — YOU ACTUALLY
DESERVE IT. BOOK NOW VIA LINK IN BIO!"**

AD SCRIPT 3 — Groom Makeover

Surprise Reveal Format

PROMPT USED:

Write a UGC-style Instagram Reels ad script for "Style Symphony" salon in Chennai, targeting grooms. Many grooms are hesitant about makeup — address that hesitation directly. Use a humorous, confident tone. Include a scroll-stopping hook, relatable groom perspective and strong CTA. Keep it under 35 seconds.

AI-GENERATED SCRIPT:

Duration: 25–35 sec | Platform: Instagram Reels

[HOOK — 0:00–0:03]

"Bro, I said NO to groom makeup. Then I saw my wedding photos. "

[0:03–0:13] (Guy talking casually to camera)

I was that guy — 'I don't need any makeup, I look fine naturally.' My fiancée kept saying go to "Style Symphony", do the groom package. I kept saying no, that's a big mistake.

[0:13–0:22] (Side by side comparison — without vs with groom grooming)

My friend who went to Style Symphony looked absolutely POLISHED in every single photo. Me? I looked tired next to my bride. Style Symphony's groom package is not about going full glam — it's just skincare, grooming, light coverage. Natural but sharp.

[0:22–0:30] (Confident look at camera)

Don't be me. Book the groom package at **Style Symphony**, Chennai. You're going to be in these photos forever — look the part.

[CTA — 0:30–0:34]

"LINK IN BIO. BOOK BEFORE YOUR DATE IS GONE!"

5 SCROLL - STOPPING HOOKS

Same Product — Different Angles

PROMPT USED:

Write 5 different scroll-stopping hooks for Instagram Reels ads for "Style Symphony" bridal salon in Chennai. Each hook should be under 10 words and create curiosity, emotion, or shock. Vary the style — use questions, bold statements, and relatable scenarios.

AI-GENERATED HOOKS:

Hook 1 — Emotional

"I cried getting my makeup done. Here's why."

Hook 2 — Curiosity

"The salon secret every Chennai bride needs to know."

Hook 3 — Bold Statement

"This bridal look took 4 hours. Worth every minute."

Hook 4 — Relatable Problem

"Tired of makeup artists who don't understand your skin tone?"

Hook 5 — FOMO

"Style Symphony is booked for 3 months — here's why."

INSTAGRAM REELS CAPTIONS

PROMPT USED:

Write 3 Instagram Reels captions for "Style Symphony" salon in Chennai. Caption 1: bridal transformation reel. Caption 2: general salon services reel. Caption 3: groom makeover reel. Each caption should have an opening line, 3–4 body lines, a CTA and relevant hashtags.

AI-GENERATED CAPTIONS:
